

Dear Gillen Brewer Community,

We are excited to invite you to our annual Art & Robotics exhibit on Friday, August 11th at the Courtyard Marriot next to our school. Again this year, the hotel has generously offered us a great space in their facility for this event. All students will be displaying art projects they worked on over the summer in art class. Linda's and Sam's students will share robots they built in teams in science class.

Families will meet their students at the Courtyard Marriott. Since space is limited, please note when your child's class will be attending the event and plan accordingly. **If you plan to take your child home with you from the exhibit, you must:**

1. **Confirm this with Ida Sacconi as usual**
2. **Check out with your child's head teacher**

Who: Gillen Brewer School Community

What: Art & Robotics Exhibit

Where: The Courtyard Marriot (next to our school)
