### **Upper School & Alumni Dance Party**

Classes include: **Break Dancers, Robots, Flossers, and Discos**, and alumni ages 8-13. This dance is for students and alumni only, chaperoned by the Dance Party Committee. No parents, siblings, or alumni under 8 or over 13 are allowed at the dance upstairs.

### **Transition Jitters with Cathy and Audrey**

While the Dance goes on upstairs, current and alumni parents attending are welcome to join a conversation with Cathy and Audrey downstairs, around making the transition to a new school. This will be an opportunity to share worries, hopes, and advice for things to come.
