

January 14, 2019

Founded in 1992, Gillen Brewer provides a family-oriented early childhood program for children ages 2.8 years- 10 years old with language-based and non-verbal learning disabilities. We offer a year-round academic program, speech and occupational therapy, play therapy/counseling, music, art, science, technology and a sports and fitness program that provides our students with the full range of skills they need to build a foundation for lifelong learning and independence.

Each year the Gillen Brewer School hosts a Benefit to celebrate our achievements. **The 2019 Benefit, *Start Spreading the News*, will take place on April 10, 2019** at Current at Chelsea Piers. Gillen Brewer families and staff attend, as well as wide range of guests from our community. All proceeds from this event directly benefit the school and the programs we offer.

We hope that you will consider supporting our event. Enclosed are three forms: an auction item donation form, an ad form, and an underwriting form, if you wish to make a gift to offset the cost of the event. We also hope you can attend! Your donation will help us sustain the incredible academic and therapeutic programs that have so greatly benefitted hundreds of children with special needs.
